About Us

The objective of the Bextra Solutions Private Limited is to create a new history by changing the economic and social situation. To make them self-reliant by providing education to the men, women and children from the state to the district and from the district to the village of Selkar. So that they can change their economic condition by taking education and doing employment.

Something has to be done by which the soul gets satisfaction and this voice should come inside that we have done some good work. We all think that we should do social service, but if we do not get the opportunity, then we are not able to do it. There is always a lack of mindset that we should do good work for the sake of people's wellness.

The problem of inflation and unemployment is the biggest in our country. Together we all have to solve all these problems. And the future of our country is to be bright from the economic and social point of view. Our company is in need of Project Manager, Teacher, Trainer, Development Officer at Taluka level, people who care about their family and are unemployed, they all join us and provide services for their countrymen, for this you will be paid according to your qualification.
